

BIOGRAPHICAL SKETCH

Education

1995-2001 Nagoya City University School of Medicine
2001 M.D.
2003-2007 Nagoya City University Postgraduate School of Medicine
(Supervisor: Prof. Junichi Nabekura, National Institute for Physiological Sciences)
2007 Ph.D.

Professional experience

2001-2003 Residency (Neurology), Nagoya City University Hospital, Nagoya, Japan
2007-2008 Research Fellow, National Institute for Physiological Sciences, Okazaki, Japan
Core Research for Evolutional Science and Technology, Japan Science and Technology Agency
2009- Visiting Fellow, National Institute of Health, National Institute of Child Health and Human Development Nervous System Development & Plasticity Section
2010-2012 Supplemental Visiting Fellow, National Institute of Health, National Institute of Child Health and Human Development Nervous System Development & Plasticity Section, Postdoctoral fellowship for Research Abroad, Japan Society for the Promotion of Science.
2012-2014 Assistant Professor, Division of Brain Circuits, National Institute for basic biology, National Institutes of Natural Sciences, Okazaki, Japan
Visiting Lecturer, Nagoya City University, Nagoya, Aichi, Japan
2013.10- Assistant Professor, Division of Brain Circuits, National Institute for basic biology, National Institutes of Natural Sciences, Okazaki, Japan
PRESTO, Japan Science and Technology Agency, 4-1-8 Honcho, Kawaguchi, Saitama, Japan
2014-2016 Associate Professor, Division of Homeostatic Development, National Institute for Physiological Sciences, National Institutes of Natural Sciences, Okazaki, Japan
PRESTO, Japan Science and Technology Agency, 4-1-8 Honcho, Kawaguchi, Saitama, Japan
2016-2019 Professor, Division of System Neuroscience. Kobe University of Graduate School of Medicine, Kobe, JAPAN
PRESTO, Japan Science and Technology Agency, 4-1-8 Honcho, Kawaguchi, Saitama, Japan
Professor, Division of Homeostatic Development, National Institute for Physiological Sciences, National Institutes of Natural Sciences, Okazaki, Japan
2017-2019 Professor, Division of System Neuroscience. Kobe University Graduate School of Medicine, Kobe, JAPAN
2019.4- Professor, Department of Anatomy and Molecular Cell Biology, Nagoya University Graduate School of Medicine, Nagoya, Japan
Specially Appointed Professor, Organization for Advanced and Integrated research, Kobe University, Kobe, Japan
2021.9- Professor, Department of Anatomy and Molecular Cell Biology, Nagoya University Graduate School of Medicine, Nagoya, Japan
Professor, Division of Multicellular Circuit Dynamics, National Institute for Physiological Sciences, National Institute of Natural Sciences (Cross appointment)
Specially Appointed Professor, Organization for Advanced and Integrated research, Kobe University, Kobe, Japan
